

**MHSA / MONTANA
FORD STORES
TEAM OF THE WEEK**

Local Ford Stores
CompareFord.com

MHSA and Montana Ford Stores are excited to continue a very successful program as part of our partnership. The MHSA and Montana Ford Stores developed the MHSA / Montana Ford Stores Spotlight Team of the Week, which recognizes Montana High School Association member school teams that have excelled by exhibiting any of the following characteristics:

- ❖ Outstanding community service.
- ❖ Championing local and/or national causes/initiatives.
- ❖ Courageous or visionary acts.
- ❖ Any other notable actions performed as a team outside the competitive arena.

Our goal is to recognize teams that go well above and beyond what is expected of them during practices and contests.

Teams can be nominated by completing the following information. After the selection process, teams chosen will be sent an award the following week so schools can present it in whatever manner they choose. Also a congratulatory letter from the MHSA office will be sent to each recipient. Montana Ford Stores personnel may be in attendance to present this prestigious award.
