

MONTANA HIGH SCHOOL ASSOCIATION ELIGIBILITY AND EQUITY WORKSHOPS

In MHSAs Rules and Regulations, Section (28) In-Service Clinic Requirement, it states, “**Member schools are required to have an on-site administrator and/or athletic/activities director who have attended and completed an in-service on the transfer and other eligibility rules as well as equity and the Ridgeway Settlement Agreement. Such on-site personnel are required to attend a renewal in-service every five years.**”

Typically the workshop opportunity is provided on three different occasions each year:

- At the MCA Coaches Clinics held in Great Falls in August
- At the MCEL Convention held in October
- At the MHSAs Annual Meeting held in January

New administrators or administrators who have changed positions are encouraged to attend one of these workshops, even if their district has someone on staff who meets the requirement.

To determine if your staff is in compliance with this in-service requirement, please contact the MHSAs office at 442-6010 or jpaustin@mhsa.org.
