RE: PRACTICE ON SUNDAY

It has come to our attention that there may be potential violations of the MHSA Sunday participation rule. We have recently talked to a few schools that were planning on transporting their teams to the State Class B State Golf Tournament in Polson on Sunday to get one additional practice round on Sunday in addition to the normal Monday practice round. This is in violation of MHSA Rule and Regulation Section (12) – No Activities participation on Sunday. This rule on page 42 of the *MHSA Handbook* states:

Section (12) NO ACTIVITIES PARTICIPATION ON SUNDAY

The Association prohibits member schools or students of a member school from participating in any interschool contest or activity, or practice including chalk talks or meetings for such contests or activities, including cheerleading, on Sunday.

Because the students would be transported to the event by the school, this would prohibit them from being part of any practices on any course on Sunday. Please be aware of this rule for it may have major effects on your travel plans to the state tournament.

If you have any questions, please give me a call at 442-6010.
