Katheryn Jarvis-Coggon (1986)

Havre High School

Inducted 1998

Jarvis was never defeated in her high school career in the 1600 and 3200 meter races. Jarvis won all four AA cross country meets from 1982 to 1985 and was the state champion in every 1,600 and 3,200 meter race from 1983 to 1985. Her four straight cross-country titles represented the first time anyone had won four consecutive cross-country titles. Jarvis also won the 1,600 and 3,200 meters at the Montana Meet of Champions in 1983, 1984 and 1985. As a sophomore, Jarvis broke the AA and all-class cross-country record. She then competed for University of Missouri and Arizona State University.
