I - GENERAL RULES AND REGULATIONS

- (1) The Montana High School Association will promote, provide for and control all interschool softball activities among the member schools.
- (2) The playing rules as authorized and published by the National Federation of State High School Associations for the current year shall be followed for all games. By National Federation Rule, Montana has adopted the following:
 - a. Any game will end when, after four and a half or five innings, a team is ten or more runs behind and has completed its turn at bat.
 - b. Double first bases are mandatory.
 - c. Using a minimum time limit of 1 1/2 hours can end games played at invitational tournaments. The game can be called if there is five minutes or less before the minimum time limit.
 - d. Junior varsity games can be ended after three innings if either team is leading by fifteen runs.
 - e. Invitational tournaments which use tie-breaking procedure shall use the National Federation procedure: beginning in the top of the eighth inning or upon reaching the predetermined time limit, the last batter from the previous inning will be placed on second base at the beginning of each half inning with the game then proceeding in a normal manner until a winner is decided.
- (3) The Montana High School Association Executive Board shall establish the starting date for practice and the first allowable date when any contests may be played. No individual shall play in any Association softball contest until she has a minimum of ten (10) days of softball practice of at least one practice session per day on ten (10) different days (no practice permitted on Sunday), prior to the date of the first allowable game.

If a student begins her ten days of required practices and that period of days is interrupted by sickness, injury, academic ineligibility or for any other reason for a period of two weeks, then the student shall be required to practice an additional five (5) days and in cases of sickness or injury to produce a doctor's release.

Athletes participating on teams competing in MHSA post season play, which overlaps the beginning of the next MHSA sanctioned activity starting practice date, may be credited for practices during the overlap period toward meeting the minimum practice requirement of the overlapped activity season.

- (4) Twenty-two (22) games with no more than three (3) games on one date will be the maximum for schools excluding Association sponsored tournaments.

INTERPRETATIONS

1. Any softball team that receives a forfeit may be allowed to schedule and play a make-up game but the team that gives the forfeit must count the forfeited game as one of the season's game limit for its school and that team will not be allowed to schedule another game in place of the forfeited game(s).

2. Definition of "squad" — An athletic squad is determined by union of "act and intent" by grouping together a number of students to play as a unit to represent the school, under the direction of a designated coach or coaches.

- (5) Each classification can hold a softball jamboree. Requirements for a jamboree are:
- A. A jamboree consists of four five-inning games.
 - B. Each game has a one hour minimum time limit, and a game can be called if there is five minutes or less before the minimum limit.
 - C. Games may end in a tie in a jamboree.
 - D. The five-inning, one hour time limit must be followed during the entire jamboree.
 - E. The inning total would be less than three full games.
 - F. The jamboree counts as two games towards the season total of twenty-two. At the AA level, the jamboree counts as one game towards the season total of twenty-two.
 - G. The jamboree must be played within the first twenty-one days of eligible competition competitive dates of each season.
 - H. The current pitching rule remains in effect.
- (6) Dudley (WT-12-Y-FP) softballs shall be utilized at all MHSA sponsored softball tournaments.
- (7) The ball shall be white or optic yellow and the specifications of color and COR shall be identical for all balls used in each game.
- (8) No school is required to take part in any contests or athletic events, but once entered, teams are obligated to participate in a contest or athletic event to its normal conclusion unless the contest is terminated by mutual consent of the school officials involved due to unusual weather or game conditions, or situations which could be hazardous to participants or spectators. Any coach is prohibited from unilaterally refusing to play.

If a school fails to complete contests or athletic events that they have entered, the violating school would be subject to penalties as deemed appropriate and necessary by the Executive Director.

No school is required to take part in any game or tournament, but when once entered under the plan outlined, schools shall carry out their part of the program in fairness to all other schools represented. Any team taking part in season play is automatically entered in to the first tournament held in that district or in that division. That team shall not be allowed to withdraw from playing in such tournament without the specific approval of the Executive Director. The penalty for violation shall be as outlined under Penalties, Article VIII, Section (2).

- (9) The softball season officially closes with the end of the state tournament for the classification of the school concerned.
