I - GENERAL RULES AND REGULATIONS

(1) The Montana High School Association will promote, provide for and control all interschool wrestling activities among the member schools.

(2) The National Federation Wrestling Rules, unless modified by MHSAA rules, shall govern all situations. Rule 4-4-1 is modified by Montana's fifteen (15) weight classes:

98 lbs. (min. 83)	125 lbs.	145 lbs.	189 lbs.
105 lbs. (min. 90)	130 lbs.	152 lbs.	215 lbs.
112 lbs.	135 lbs.	160 lbs.	HWT (max. 285)
119 lbs.	140 lbs.	171 lbs.	

(3) The MHSAA will follow NFHS rule 4-5 on weigh-in procedures for all regular season matches/tournaments and post-season competition.

(4) The Montana High School Association Executive Board shall establish the starting date for practice and the first allowable date when any matches may be held.

(5) Prior to the date of the first interscholastic wrestling match or meet, the wrestler must participate in ten (10) days of wrestling practice of at least one practice session on ten (10) different days for each contestant (no practice permitted on Sunday).

If a student begins his/her ten days of required practices and that period of days is interrupted by sickness, injury, academic ineligibility or any other reason for a period of two weeks, then the student shall be required to practice an additional five (5) days and in cases of sickness or injury to produce a doctor's release.

Athletes participating on teams competing in MHSAA post season play, which overlaps the beginning of the next MHSAA sanctioned activity starting practice date, may be credited for practices during the overlap period toward meeting the minimum practice requirement of the overlapped activity season.

(6) Each individual wrestler may have no more than eighteen (18) contested events (where he/she weighs in and wrestles at the same physical location) with a maximum of fifty (50) total matches prior to the post season. Two of the contested events must be in the city where the wrestler's high school that he/she participates for is located. An individual wrestler may have no more than five (5) bouts in one day. [Note: There is an exception to this rule for a one-day B-C Divisional Tournament.]

(7) A one day invitational tournament (where there is not a predetermined number of matches for each contestant) shall count as one contested event toward season

limitations. Invitational tournaments conducted over two (2) days constitute two contested events toward season limitations.

- (8) Schools may utilize the "mixer" format for regular season meets. Mixers are defined as inviting a set number of schools to one location, with meet administration matching up the wrestlers from different schools to provide each participating wrestler the opportunity to compete in several matches that day (pre-determined matches in specific weight classes; not bracketed competition). A mixer is an excellent option for teams that can not fill all of their weight classes. A one-day mixer will count as one contested event towards the season match limitations.
- (9) ***When three or more schools take part in a double dual meet wrestling competition held in two separate schools/towns that are located less than thirty (30) miles apart and held on the same day, the following provisions apply:***
 - a. ***One weigh-in will be used for multiple competitions that day.***
 - b. ***Each dual meet wrestled will be counted as one contested event toward the season limitations.***
 - c. ***A school not participating in the first dual will be required to follow NFHS rules and weigh-in one hour prior to their dual.***
- (10) A wrestling match won by forfeiture will be counted as part of the season match limitation only when the match is used for seeding purposes into the divisional or state tournament.
- (11) Divisional and state wrestling tournaments shall be single elimination in the winner's bracket and double elimination in the loser's bracket.
- (12) It is recommended that the officials not be seen in the company of coaches, socially or otherwise, at any time during the course of a tournament.
- (13) The MHSA office will send ballots to all member schools for selection of divisional, seeding and state wrestling tournaments. It is strongly suggested that each school vote independently for officials for each tournament.

Divisional, seeding and state tournament ballots will be tabulated by the MHSA office staff. The MHSA office staff will contact those officials selected.

- (14) No school is required to take part in any contests or athletic events, but once entered, teams are obligated to participate in a contest or athletic event to its normal conclusion unless the contest is terminated by mutual consent of the school officials involved due to unusual weather or game conditions, or situations which could be hazardous to participants or spectators. Any coach is prohibited from unilaterally refusing to play.

If a school fails to complete contests or athletic events that they have entered, the violating school would be subject to penalties as deemed appropriate and necessary by the Executive Director.

No school is required to take part in any game or tournament, but when once entered under the plan outlined, schools shall carry out their part of the program in fairness to all other schools represented. Any team taking part in season play is automatically entered in to the first tournament held in that district or in that division. That team shall not be allowed to withdraw from playing in such tournament without the specific approval of the Executive Director. The penalty for violation shall be as outlined under Penalties, Article VIII, Section (2).

- (15) The MHSA prohibits any use and/or possession of tobacco, alcohol or other mood altering drugs during competition. Violation will cause the coach or participant to be disqualified from further participation in that event.

II - WEIGHT CONTROL PROGRAM

- (1) In order to be eligible for any interscholastic wrestling competition a student must satisfy the requirements set forth in this plan.
- (2) Each wrestler must certify his/her weight within thirty calendar days following his/her first wrestling practice. To be certified, a wrestler must have on file with the school principal or his/her designee a completed WR#1 form. This form will bear the wrestler's name, his/her school, and the dated signatures of the examining physician, the wrestler, his/her parent or guardian, and the coach. On this card, the examining physician will record the lowest weight he/she feels the wrestler may safely attain during that wrestling season. The other parties must sign the form after the examining physician has recorded his/her lowest weight, and by so doing, they indicate agreement with the physician's assessment.
- (3) It is recommended that wrestling coaches and schools monitor weight control of their student athletes through skin-fold measurement techniques.
- (4) It shall be the responsibility of the school administration to see that the above provisions are met as specified.
- (5) Upon completion of WR#1, form WR#2 must be completed and sent to the MHSA office within 35 calendar days following the wrestler's first practice. Form WR#2 has appropriate spaces for the name of the school, the completion date, the signature of the school principal or his/her designee, and the name and lowest weight for each wrestler as taken from the WR#1 forms.
- (6) In the event a wrestler begins practice less than 30 calendar days prior to the divisional or state tournament, both WR#1 and WR#2 must be completed and WR#2 sent to the MHSA office prior to the tournament. In the event a wrestler begins practice, drops from the program, and then rejoins the squad, the school principal shall make a decision as to the "Due Date" for the WR#1 form on the basis of the reasons for dropping and rejoining.
- (7) There can be no recertification at a lower weight class once the WR#1 form is complete. A wrestler who wrestles in a weight class lower than that dictated by the WR#1 form at any time or at any level during that season is in violation of these rules.
- (8) The lowest weight class shown on the original WR#1 form for that season shall apply for the entire season. However, a wrestler may compete at any higher weight at any time during the season. If a wrestler weighs in more than one weight class above the lowest weight class shown on the original certification, the wrestler will no longer be eligible to wrestle at the lowest weight class shown on the WR#1. The wrestler must move to at least one weight class higher than shown on the WR#1.

NOTE: A wrestler certified at the 130 pound weight class, who weighs in at the 140 pound weight class, would no longer be eligible to participate in the 130 pound weight class. The lowest weight class in which the wrestler may now participate would be the 135 pound weight class. The purpose of this rule is to allow growth and to discourage unhealthy or unsafe weight loss.

- (9) The MHSA Record of Wrestlers' Qualifying Weigh-Ins form must be completed and presented to the divisional/seeding tournament manager verifying that the wrestler has complied with the 50% rule, which states: For health and safety reasons,

Montana's weight control program shall require each wrestler to have at least one-half of weigh-ins during the season at the minimum weight the wrestler will compete in during the divisional and state tournament series.

- (10) A one-pound growth allowance will be added to each weight class on January 1st and an additional one-pound growth allowance will be added to each weight class on February 1st. The growth allowance also applies to the minimum weight for the 98 lb. and 105 lb. weight classes and the maximum weight for the 285 lb weight class.
- (11) In invitational dual meet tournaments involving consecutive days of team competition, wrestlers are not allowed to weigh-in at a lower weight class after the first day of competition. They are allowed to weigh-in or wrestle at a higher weight class.
- (12) Violations of the above eligibility rules shall be dealt with by the MHS Executive Director just as he/she deals with other eligibility violations.

Each school is entitled to enter a contestant for each weight class (refer to individual classifications for exceptions). Any wrestler that fails to make the weight that he/she was seeded will forfeit and not be allowed to compete in the tournament.
- (3) All contestants must qualify in the divisional/seeding tournaments in order to participate in the state meet and there shall be no substitution or exception to this rule regardless of reason. - (4) The first four place winners in each weight class from each division in Class B-C and Class A will qualify for the State Tournament. All fifth place divisional finishers will be first alternates and all sixth place finishers will be second alternates into the state tournament. Alternates will be drawn by the MHSA on the Monday prior to the state tournament. The MHSA will notify divisional tournament managers of the selected alternates. The divisional tournament managers will notify schools of alternates that have been selected.
