## Step 1: Logging In

Your password can easily be changed or reset by visiting [www.varvee.com/login](http://www.varvee.com/login), and inputting your email address into the **Need or Forgot Your Password?** box. If you need to be added to the system, your AD can easily add you as a coach or you can contact us at [info@varvee.com](mailto:info@varvee.com) or (303) 377-5575.

Once you have your password login to the system at [www.varvee.com](http://www.varvee.com).

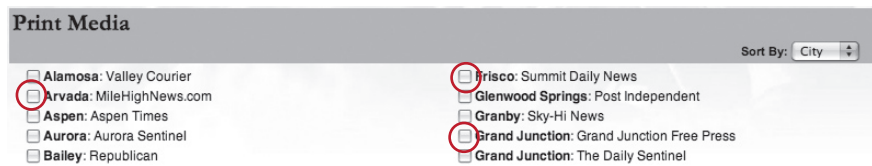

## Step 2: Specifying Media Outlets & Other Recipients

After logging in, you will be taken to your Team Page. At the top of this page you can choose the media outlets to receive your results.

To add or adjust media recipients, select the corresponding Profile on the upper right side of the page.

### Print Media Page

To select additional media outlets, click the box next to their name.

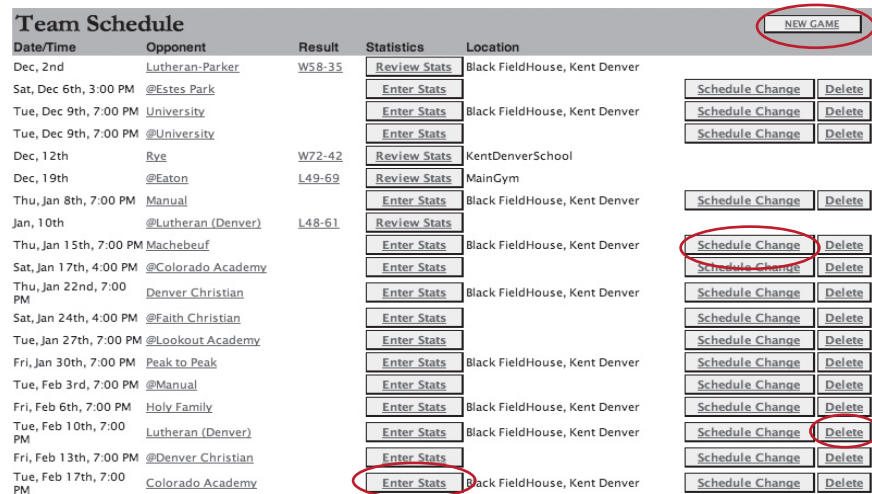

### My Score Recipients Page

To send to anyone else - family, friends, and fans and unlisted Media Outlets - go to the **Team Score Recipients Page**. Then click **New** and enter their names and email addresses.

## Step 3: Reviewing Your Schedule & Adding/Editing Games

Also on your **Team Page** is your **Team Schedule** section. VarVee has already uploaded your initial schedule for the season. Please review it to ensure accuracy.

To add a game to your schedule, click **New Game**. In the Create Game window select whether your team is **Home** or **Away**, your **opponent, location, date** and **time**.

To edit the date, time, opponent, or location of any game on the schedule, click **Schedule Change**.  
*(Note: This information cannot be edited for any game with stats already reported.)*

To delete a game from your schedule, click **Delete**.

To view the **Game Page**, click the corresponding button in the **Statistics column**. From the **Game page** you can **Input Game Stats**, print **Stat Sheets** and **Box Scores**.

### Step 4: Inputting Your Roster

After logging in, you will be taken to your **Team Page**. The last section of this page is the **Roster and Stats** section. Here your Roster and year-to-date stats are displayed.

**Team Roster & Season Stats**

Jr	5	Harry Houdini	.000	0	0	0	0	0	0	0	0	0	0	0	0	

To add a player to the roster, simply click **Add New Player**. Enter the player's full name, year of graduation, and jersey number.

After clicking "Add Player", the player will be added to your roster for the full season.

### Step 5: Inputting Game Stats

To input stats, go to the **Game Page**, then click **Record & Distribute This Game's Stats**.

3. Next, input batting, baserunning, and fielding stats for individual players on each team.

If a player is not listed on the roster, and has stats for the game, click **Add a New Player** to add him to the roster.

4. Enter Pitching Stats for individual players on each team. Any player with a pitching decision for the game will be listed automatically. You can add another pitcher from your roster drop-down. You can also add a new pitcher to the roster by clicking **Add a New Pitcher**.

Once all stats have been entered, click **Save Stats!** After clicking **Save Stats!**, a summary of your game will be automatically sent to media outlets and other recipients that you have specified.

Currently we are collecting the following stats: At-Bats (AB), Runs (R), Hits (H), Runs Batted In (RBI), Doubles (2B), Triples (3B), Home Runs (HR), Strikeouts (SO), Walks (BB), Hit By Pitch (HBP), Sacrifices (SAC), Reached on Error (ROE), Stolen Bases (SB), Caught Stealing (CS); **Fielding:** Putouts (PO), Assists (A), Errors (E). **Pitching:** Innings Pitched (IP), Hits Allowed (H), Runs Allowed (R), Earned Runs Allowed (ER), Strikeouts (SO), Walks (BB), Wins (W), Losses (L), and Saves (SV).

Don't have the other team's stats? That's okay. The other team's coach can also enter game stats. To input stats via the phone, or for help getting started with VarVee, call: 1-800-615-3995.
