

MHSA / U.S. BANK
SUPER FAN AWARD

MHSA and U.S. Bank are happy to announce a new component to their successful Sportsmanship Program. Along with continuing to provide Sportsmanship Awards for schools to recognize individuals who exhibit outstanding sportsmanship during regular season contests, schools can now recognize “Super Fan(s)” from their communities.

Super Fans are those fans that have supported high school activities in special ways such as:

- ❖ Supporting all activity participants, including coaches and officials
- ❖ Proudly representing their community at extra-curricular activities
- ❖ Promoting good citizenship in extra-curricular activities
- ❖ Long time attendance at regular season contests and/or post season events

Schools can nominate their “Super Fan(s)” by completing the following information. Certificates will be sent to the schools so they can present them to their “Super Fan” in whatever manner they choose. Also a congratulatory letter from the MHSA office will be sent to each individual recipient. At the end of the school year, all nominations submitted to the MHSA will be reviewed and one Montana “Super Fan” will be selected (from those nominees) At an appropriate location, MHSA and U.S. Bank personnel will present the prestigious Montana “Super Fan” award (from the nominations received from member schools across the state).
