Subject: St. Regis v. Noxon

Brian, I am a little tardy in sending off a note of appreciation to the folks at St. Regis High School. Nonetheless I am forwarding the following on behalf of the crew who officiated the St Regis v. Noxon football game on Friday, October 13, 2006. The crew members were: Roger Cox – Umpire; Shawn Horton – Linesman; Doug Golie – Linejudge; and Steven Haddon – Referee.

When we arrived at the school we were promptly met and shown to our locker room by the Principal (sorry, I do not remember his name). The cheerleaders had made construction paper cut outs of whistles and taped them to the locker room door. Written on each whistle was a note of appreciation thanking us for our being there to work the game. After we had dressed, and were making our way out to the field, and after the game, numerous parents, fans and townsfolk thanked us for being there and let us know if there was anything we needed (pop, popcorn, hot dogs, hamburgers, candy, etc.) just to let them know. In addition, the St. Regis cheerleaders made it a point to come up to us before the game and again thank us for coming over to work the game.

Brian, I believe I am finishing up my 13th year of officiating football, and I can indeed say, I have never felt more welcome at a game site, nor been treated to such open arms and appreciation. Certainly, I suspect we called some fouls over which there was a difference of opinion, but overall, it was a great game and a fine venue to work.

On behalf of the crew, I would ask you forward our gratitude to the folks at St. Regis High School, and, to the extent you can, to the people of St. Regis. We will continue to be happy to be invited to officiate football games in St. Regis. Thank you.

Sincerely,

Steven Haddon, Sean Horton, Doug Golie, Roger Cox.

P.S. The kids for both St. Regis and Noxon were great and exhibited excellent sportsmanship.
