

STATE ALL-CLASS VOLLEYBALL TOURNAMENT

November 10-12, 2011
Brick Breeden Fieldhouse, MSU-Bozeman

BAND INFORMATION

Bands are invited to attend the State All Class Volleyball Tournament which is being held in Bozeman at MSU on November 10-12, 2011.

Please consider the following information before making a decision on whether to bring your school's band as they will not be guaranteed a minimum amount of playing time. Because bands cannot play during any live ball action on any tournament floor per MHSAA rules, bands will only be guaranteed playing time before the start of each morning session. Essentially, because four matches will be played at one time and because some matches will finish earlier while others are still playing, it would not allow for optimal playing conditions for teams and athletes.

Because of concerns over possible electrical outages, the MSU Fieldhouse will not permit bands to use electronic instruments during this tournament.

Also, the MHSAA Executive Board has approved providing wrist bands to be worn by qualifying schools' band members for admission to this state event. Wrist bands will be given to band members upon entering the MSU Fieldhouse.

The State All Class Volleyball Tournament will be great for the sport of volleyball, but because of the format of four matches being played at once, it will have an effect on bands that attend.

If you have any questions or comments, please contact Scott McDonald at 442-6010.
