

LIBERO TRACKING INSTRUCTIONS WITH LIBERO SERVING

The Libero Tracker shall:

1. Enter Home and Visiting team on Tracking Sheet
2. Next to L: put the # of the Libero being used for that set. If no Libero is being used, no tracking will take place.
3. Enter in the "SP" column the starting players for each team. This should be an exact match of the line-up entry in the scorebook and on the umpire's line-up card.
4. When a Libero enters the set as a replacement, cross off the number of the player the Libero is replacing and put "L" on the line next to the number.
5. Caution: Only the same player's number crossed out before the "L" can be the number after. The player the Libero came into the set for can only be the Libero replacement.
6. When the Libero is replaced (again, by the same player) the "L" is crossed out and the number of the player is next entered on the line.
7. The Libero Tracker also records all substitutions. When a player (not a Libero) is substituted out of the set, her number is crossed off and the player's number entering the set is written on the line.
8. There are unlimited Libero replacements but only 18 substitutions per game.
9. Note: A different Libero can be designated for each set, but the designation must be made on the lineup sheet when it is submitted before the set. The Libero designated on the lineup sheet when submitted is the only Libero that may used for that set. A different Libero may be designated in any other sets of the match.

NOTE: If the Libero serves, she may serve in only one serving position. The Libero Tracker designates what serving position the Libero has served by placing a triangle around the number in the Serving Order column.
